

Are you afraid of Monsters? - author visit by DR ROSEMARY SELKIRK

'When Amelie asks her Nan about being afraid of monsters, she does not expect to enter the world of the imagination with her, nor how much fun they will have discovering different monsters together.'

This quality picture book for three to six year olds by psychologist Dr Rosemary Selkirk addresses childhood fears, such as the fear of monsters, by illustrating the role of the imagination. Dr Selkirk is visiting our school on

She will present this engaging story together with a craft activity, book discussion and musical activity to children in infant grades

Rosemary will bring copies of the book for sale and these may be pre-ordered on the form below, please return the form with payment by to allow time for orders to be processed and individual signings of ordered copies of the book to be made.

Dr Rosemary Selkirk is an experienced infant and remedial reading teacher and registered psychologist. Her children's picture story book *Are you afraid of monsters?* combines an interest in the basis of children's fears with insights provided from her teaching experience and psychological practice. The book was designed, printed and published in Australia to a high quality. The illustrations by Melbourne artist Cameron Singleton have a quiet charm and children have responded enthusiastically to them. *Are you afraid of monsters?* is enjoyed by children, teachers, parents and librarians in Victoria, interstate and elsewhere. In 2015 *Are you afraid of monsters?* was included on The Premiers Reading Challenge List for Victoria, Australia.
